

# WHY.OS

# The Operating System that Drives You

**WHY** you do what you do, **HOW** you bring your **WHY** to life, and **WHAT** others can ultimately count on from you.

## Our Most Personal Discovery Yet

Your **WHY.os** is the full 3D image of who you are at your core. With your **WHY** alone, you gain clarity on your driving force. With the **WHY.os** you will be able to see how you internally operate and how you externally message yourself.

## Receive Your Complete **WHY.os** Package!

Once you have completed the discovery, you will receive a completed personalized dashboard. This will have your simple **WHY.os** statement, a summary of your **WHY.os**, a completed Venn Diagram with links to your results, downloadable PDFs of your **WHY**, **HOW**, and **WHAT**, videos on how to apply your **WHY.os** to business, relationships and career, as well as next steps to further live your **WHY.os**.

**Paul Epstein**

Chief Impact Officer at PurposePoint

"From knowing WHO I am to **HOW** I show up to **WHY** I do what I do, discovering my **WHY** changed my life. The difference with this process is it's simple, memorable, and designed for action. 100% of my clients have not only agreed with their results, they've applied it to their business and life immediately."
